6. (Confidential - GLC) ADMINISTRATIVE [REDACTED]
SC/DCI, and I attended a meeting at the White House chaired by Jack Marsh, Counsellor to the President, to discuss Representative Bella Abzug's (D., N.Y.) request for testimony from the Department of Justice and the Agency on her amendments to the Privacy Act which would repeal the Agency's exemption from that Act and would also require notification of persons whose mail was intercepted on both ends of the communication. It was agreed that we would prepare a suggested Administration position on this legislation and meet again Monday morning.

[REDACTED] and I also talked with Mr. Marsh about the developments concerning Chairman George Mahon's House Appropriations Defense Subcommittee and Angola. Mr. Marsh suggested that I discuss the matter with Don Ogilvie, Associate Director for National Security and International Affairs, OMB.

Mr. Marsh mentioned the regular White House Smoker for members of the Congress and suggested that I might wish to attend. I told him I would be happy to come to the Smoker this evening. Unfortunately this session was later scrubbed for the lack of Congressional acceptances.

7. (Confidential - GLC) LIAISON Met with Jim Calloway, Senate Appropriations Committee staff, and Ed Braswell, Senate Armed Services Committee staff, to keep them posted on the latest developments in the House Appropriations Defense Subcommittee regarding our Angolan termination program. I promised to keep both informed on the ultimate resolution of this problem and told Calloway that if the Director appeared before Chairman George Mahon, House Appropriations Defense Subcommittee, as we hoped he would, that we would also offer the same treatment for the Senate Appropriation Committee. Calloway was most appreciative of my keeping him informed on this matter as Braswell and Guy McConnell, Senate Appropriations Committee staff, have been in the past.

8. (Unclassified - JMD) LIAISON Mr. Arnold Punaro, in the office of Senator Sam Nunn (D., Ga.), called and requested ten copies of the publication, "A Dollar Comparison of Soviet and U.S. Defense Activities, 1965-75." I told him we would put these in the mail for him.
